EASY DESHADING OF Eclipse® F-series

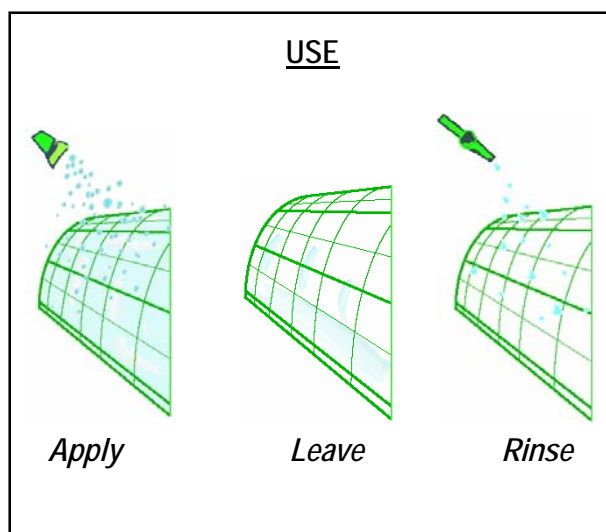

Serra L'Ombre

- **Eclipse** removes the **Eclipse** F-series remaining at the end of the season. Makes greenhouses transparent after application.

DILUTION : FOR A LIGHT SHADING
 1 vol of product
 +
 4 vol of water

DILUTION : FOR AN AVERAGE SHADING
 1 vol of product
 +
 3 vol of water

DILUTION : FOR AN IMPORTANT SHADING
 1 vol of product
 +
 2 vol of water

- Dilute the **Eclipse** with water according to the thickness of the layer of **Eclipse** F series.
- Spray it on an overcast day.
- Leave to dry for at least 15 minutes.
- Rinse with clear water. The time it needs to rinse by rain depends on the amount of rain.
- **Eclipse** is suitable for use on glass and polycarbonate greenhouses and plastic tunnels. It is safe to use on gutters and greenhouse frames.
- **Eclipse** is a chemical product for professional use. The wearing of gloves and glasses is recommended. Stock out of range of children.

Biodegradable (cf environmental report).

Collected water can be reused for irrigation (after collecting and pH control).

FOR PROFESSIONAL USE ONLY IMPORTANT NOTE: The information in this data sheet is not intended to be exhaustive and is based on the present state of our knowledge and current laws. The given data is based on average observed results. Our suggestions do not relieve the user of the necessity to test our products and to verify for the suitability for the purpose envisaged according to the used conditions. Any person using the product for any purpose other than that specifically recommended in the technical data sheet does so at his own risk. Always read the safety data sheet and the technical data sheet for this product. All advice we give or any statement made about the product by us (whether in this data sheet or otherwise) is correct to the best of our knowledge but we have no control over the quality or the condition of the substrate or the many factors affecting the use and application of the product. Therefore, we do not accept any liability whatsoever for any loss damage arising out of the use of the product. All products supplied and technical advices given are subject to our standard terms and conditions of sale. You should request a copy of this document and review it carefully. The information contained in this data sheet is subject to modification from time to time in the light of experience and our policy of continuous development. It is the user's responsibility to verify that this data sheet is current prior to using the product.
